**LETTER OF SATISFACTION
TO WHOM IT MAY CONCERN**

Mr Sandip V. Chitre from Saffron Technologies was hired to be our consultant from July to November 2006. He was in Singapore for an Automobile related project from 5th November to 20th November 2006.

Though it was only for a fairly short period of time, he has demonstrated a high level of professionalism in providing advices and recommendations.

He is proficient in Magic Edevelopment tools and the Prevasive DBMS. During his stint with us, he has performed his duties to our utmost satisfaction.

Mr Sandip V. Chitre is a reliable and capable consultant discharging his duties efficiently and promptly, and is able to work independently.

I would recommend him for any related form of consultancy, as I believe he will certainly do his best to deliver.

Yours faithfully,

Lewis Low
