

Techcentra BPO Inc

To Whom It May Concern

M/s. Saffron Technologies, Vadodara, India have developed an integrated HR software for us containing the following modules:

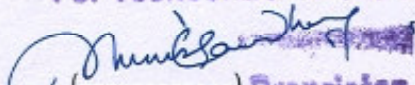

- Candidate Recruitments
 - Register Applications and CVs
 - Record the Interview feedback
 - Shortlist for recruitment
 - Confirm Appointments
- Employees Master
- Monthly Attendance
- Overtime
- Salary Slips
- Leave Management
- Resignation dues

The software has been developed and customized to suit to our exact requirements. M/s. Saffron Technologies completed the software according to contract and it has been working satisfactorily since April, 2006.

We are very much pleased by the customization services rendered by M/s. Saffron Technologies. The HR software has automated our HR functions from Recruitment to Resignation of an employee.

We are talking to M/s. Saffron Technologies for Billing software to be developed as per our BPO needs.
